Important Note on Question Distribution

The supplied source states that the entrance examination comprises 100 MCQ-type questions of one mark each and that the questions are at Senior Secondary level. It also refers to a distribution of questions, but the complete section-wise numerical distribution is not present clearly in the text supplied. Accordingly, no unsupported section-wise question counts have been added.

Meer Sir Academy - Preparation Guidance

Students should prepare all the testing areas listed in the notified syllabus and practise integrated MCQ sets. Special attention should be given to the four history areas while maintaining regular preparation in polity, geography and environment, cultural heritage, Indian economy and banking awareness, government schemes, science and technology, and national and international current affairs.
