

DEPARTMENT OF BIOSCIENCES
JAMIA MILLIA ISLAMIA, NEW DELHI – 110025

B.Sc. Biosciences

ENTRANCE TEST SYLLABUS

Entrance Test Pattern

Particular	Details
Total Questions	100 Multiple Choice Questions (MCQs)
Biological Sciences	50% of the questions
Physics, Chemistry & Mathematics	50% of the questions collectively
Level of Questions	NCERT Class XI and XII standard syllabi

Subject-wise Syllabus

1. Biological Sciences – 50%

Fifty percent of the entrance-test questions will be from Biological Sciences. The level will be based on the NCERT syllabi prescribed for Classes XI and XII.

2. Physics, Chemistry & Mathematics – 50%

The remaining fifty percent of the questions will be drawn collectively from Physics, Chemistry and Mathematics. The level of these questions will also correspond to the NCERT Class XI and XII syllabi.

- Physics – NCERT Classes XI & XII
- Chemistry – NCERT Classes XI & XII
- Mathematics – NCERT Classes XI & XII

Important Clarification

The source syllabus supplied specifies only the broad subject distribution and the NCERT XI–XII level. It does not provide a separate chapter-wise list or an individual question/mark distribution among Physics, Chemistry and Mathematics. Therefore, no unsupported chapter-wise or subject-wise breakup has been added.

Meer Sir Academy – Preparation Focus

Students should give major emphasis to Biological Sciences because it accounts for 50% of the test. The other 50% should be prepared through systematic revision and MCQ practice from NCERT Class XI and XII Physics, Chemistry and Mathematics.
