- Answering factual, contextual and inference-based questions from comprehension passages

Preparation support topics: parts of speech, subject-verb agreement, tenses, articles, prepositions, conjunctions, active/passive voice, direct/indirect speech, synonyms, antonyms, idioms, one-word substitutions, error detection and sentence correction.

B. Current Affairs - 30 Marks

The notified syllabus covers important national and international events, economics, sports, awards and honours, science and technology, important days and events, and important books and authors.

- Important national events and developments
- Important international events and developments
- Economics and major economic developments
- Sports and major tournaments/events
- Awards and honours
- Science and technology developments
- Important days and events
- Important books and their authors

For entrance preparation, students should maintain a systematic current-affairs revision file and practise MCQs based on recent major events.

C. Legal Aptitude and Legal Reasoning - 40 Marks

This section tests basic principles of law and the candidate's ability to apply legal rules and reasoning to hypothetical situations. The emphasis is on legal thinking and problem solving within a legal context.

- Basic principles of law covering various areas of law
- Understanding a legal principle or rule given in a question
- Application of legal principles to hypothetical facts
- Legal reasoning and rule-based problem solving
- Identifying legally relevant facts
- Drawing conclusions from a stated legal principle
- Ability to think within a legal context

Meer Sir Academy practice framework may include principle-fact questions and introductory concepts from constitutional law, law of torts, contracts, criminal law and other foundational legal areas. These are preparation categories for the broad 'various areas of law' wording; they are not separately enumerated in the supplied JMI syllabus.

D. General Studies - 40 Marks

- History
- Geography
- Indian Polity
- Indian Economy
- Environmental Science and Development
- Culture and Heritage of India
- India's Freedom Struggle
- History of Islam

- History of Jamia Millia Islamia and its contribution towards nation building

Preparation should focus on core 10+2-level general studies, major facts, concepts, personalities, institutions, movements and events within the areas expressly listed above.

E. Elementary Mathematics (Numerical Ability) - 10 Marks

- Ratio and Percentage
- Profit and Loss
- Average and related concepts
- Simple Interest
- Compound Interest
- Time and Work
- Speed, Distance and Time

The syllabus uses 'etc.' after these areas. Meer Sir Academy may therefore use closely related elementary numerical-ability exercises for practice, while keeping the listed topics as the primary preparation base.

4. Interview - 25 Marks

The interview is oral and is based on general questions related to the personality of the candidate, legal aptitude, and understanding of law and its importance in society.

- General personality-oriented questions
- Why the candidate wants to study law
- Basic legal aptitude
- Understanding of law and its role in society
- Ability to express views clearly and logically
- Awareness of important legal/social issues relevant to a general interview discussion

The last two points are Meer Sir Academy preparation guidance derived from the stated interview focus, not additional topics separately notified in the supplied syllabus.

5. Meer Sir Academy Preparation Priority
