CUET-PG and M.A. Public Administration

CUET-PG is used by many participating universities for postgraduate admission. Public Administration may be mapped to the Political Science/Public Administration/Human Rights/Politics and International Relations paper family, commonly associated with HUQP18 for several participating universities. However, universities can prescribe different accepted paper codes for their own M.A. Public Administration programmes. Therefore, candidates must check the programme-specific mapping of every university they intend to apply to rather than assuming one code is universal.

CUET-PG Preparation Areas for Public Administration Aspirants

- Western Political Philosophy and major political thinkers
- Indian Political Thought
- Political Theory and core political concepts
- Indian Government and Politics
- Comparative Government and Politics
- International Relations
